

**THE HOME DEPOT** INSTALLATION SERVICES

# Home Elevators

 **ThyssenKrupp Access**

## LEV Classic

Up to 50' of travel and 5 stops make life easier. Two drive systems and four types of wall panels suit any home. Wooden handrail matches wall panels. Accordion car gate (champagne, chalk, light oak, dark oak, white or clear panels) for safety and security. Door interlocks prevent inadvertent entry.

- Matching ceiling panel
- Stainless or brass handrail
- Automatic gate operator

## LEV Signet

SIGNET

- Upgrade your LEV with custom options
- Design your own elevator with an expert consultant
  - Excellent craftsmanship to your specifications
  - Retrofitted or added to new construction

## LEV®

- Conveniently move laundry, furniture, and more
- Increase the long-term value of your home
- Reduce damage to floors and walls

## LEV Rise

Available in 3 standard car sizes: 36"x48", 36"x60" or 40"x54", each with a top capacity of 950 lbs. Select from four types of wall panels to fit your style. Wooden handrail matches wall panels. Includes digital floor position indicator, optional telephone and finely-crafted stainless steel or brass operating controls.

- Matching veneer ceiling panel
- Stainless steel or brass handrail
- Automatic accordion gate operator

## LEV Minivator

- For homes where a larger elevator is not practical
- Makes the most of your living space
  - Extremely fast installation
