STAIR LIFTS AS **EASY** AS...

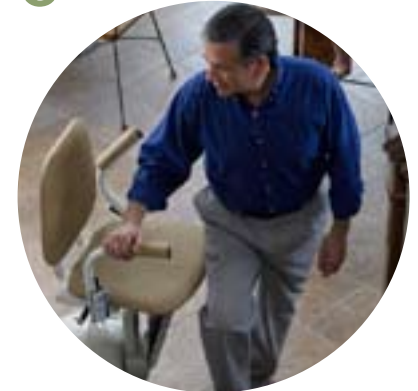

1 CONSULTATION

2 INSTALL

3 ENJOY

GAIN INDEPENDENCE QUICKLY AND EASILY.

The easiest and least expensive way to go up and down stairs, stair lifts are just right when stairs become an obstacle in your home. A stair lift can extend years of independence and enhance your quality of life. The quiet, durable equipment is available with interchangeable chairs to blend with any décor, so select the budget and style that suits your lifestyle.

- Also moves laundry, groceries, pets and more
- Comes in a wide range of colors and styles
- Reduces damage to floors and walls
- Keeps your home livable for years to come

A stair lift creates an effortless staircase. Affordable and stylish, a stair lift is a trouble-free addition to any multi-story home.

3 STEPS TO PROFESSIONAL STAIR LIFT INSTALLATION:

1. FREE In-Home Stair Lift Consultation
Call 1-800-HOMEDEPOT and schedule a convenient time for you. A specialist from The Home Depot will visit your home to do an on-site evaluation and help you with product decisions. You'll receive a proposal and price quote. An installation schedule will follow a signed agreement.

2. Professional Installation
A professionally trained installer will deliver, install and test your new stair lift to ensure proper efficiency. Your installer will also review operating instructions with you and clean the installation area.

3. Enjoy the Benefits
You will have easy access to every floor of your home. And you can move laundry, groceries, pets and more. Keep your home livable for years to come.

WHO COULD USE A STAIR LIFT?

Any time stairs become an obstacle in your home, a stair lift is a good idea. Whether access to another floor allows you to get to your bedroom upstairs or your workshop in the basement, a stair lift is the simple solution.

What's more, a stair lift is versatile in moving items that are difficult to transport up and down stairs. Ideal for a laundry basket or suitcase, a stair lift can do more than move people along a staircase.

LEAVE IT TO THE EXPERTS

Every Home Depot specialist is professionally trained to analyze your in-home transportation needs. Insured installation specialists will provide excellent service in a timely manner. In just a few days, your life will be easier!
